AJ1: On October 7, 2023, the militant group Hamas attacked Israel and killed approximately 1,300 people, and kidnapped hundreds more. In response, the Israeli military carried out operations in Gaza to eliminate Hamas, with more than 50,000 Palestinians killed and massive destruction. Which comes closest to your view of the Israeli war on Hamas?

Values: 1-4

1. Israel was right to respond and their military response is justified.
2. Israel was right to respond, but their military response has gone too far and should stop.
3. Israel was wrong to carry out a military response.
4. Don't know too much about this

AJ2: As far as you know, are the following statements mostly true or mostly false?

Values: 1-3

1. Mostly true
2. Mostly false
3. Don't know too much about this

AJ2r1. Antisemitism, or hatred of Jews, is a serious problem on American college campuses.

AJ2r2. Opposing Israeli government policies is a form of antisemitism.

AJ2r3. People should be able to protest Israeli government policies and NOT be labeled antisemitic

AJ2r4. Many American Jews oppose the current Israeli government's policies.

AJ2r5. Israel has a biblical right to all the land between the Jordan River and the Mediterranean Sea, which belongs ONLY to Israel, and not to Palestinians.

AJ2r6. Israeli Prime Minister Benjamin Netanyahu sincerely wants peace with the Palestinians.

AJ3: Recently, President Trump and other elected officials have demanded universities change their policies related to protests and free speech on campus. They say it is necessary because many universities failed to protect Jewish students. Which comes closest to your view on these matters?

Values: 1-2

1. Many American universities failed to protect Jewish students, and new free speech policies are needed to protect them.
2. Politicians are exaggerating about the risk to Jewish students and using this issue to stop free speech they don't like.
